

Noble Houses's across the Eras:Houses that exist after Solis's Conquest.

Solis's Era (7,217 BR - 7,163 BR)

The Solisian Empire Forms, these are the Noble Houses that become noble houses after the civil war or during/ shortly after the conquest

These are **new additions** to the roster of noble houses. Houses from before this era still exist as well, unless explicitly stated as eradicated (or otherwise removed).
