

Noble Houses's across the Eras:Houses that exist before, during/after Crandona's era:

Crandona's Era (~1 BR - 50 AR)

This Covers The Noble Houses during Crandona's Era before the rebellion of **Merigen Bleelack** the traitor. This allows covers the noble House Merigen Kills during his rebellion etc, as well as the noble houses still alive during Goteivati III's reign and into the dark ages.

These are **new additions** to the roster of noble houses. Houses from before this era still exist as well, unless explicitly stated as eradicated (or otherwise removed).
